High upon a hillside, a preacher tells a story to a crowd  
He tells the same old story, a thousand times he's read  
that story loud  
He wants to give the answers but his words are only  
Answers to nothing

Lying in my bedroom, a man comes on my TV with a  
grin  
He tells me to believe him, he said that I should put my  
faith in him  
He says he has the answers, but his words are only  
Answers to nothing

Oh, oh, oh, believed for the last time  
Oh, oh, oh, deceived for the last time

Hear the chosen leaders say we can't stay sitting on  
the fence  
Believe the stuff they feed us, they're buying guns and  
bombs for our defence  
They think this is the answer, but their thoughts are  
only  
Answers to nothing

Where is all the friendship, how can all the  
comradeship be done  
What of all the teachings, what of things we learned  
when we were young  
It doesn't bear the asking, 'cos the answers given were  
Answers to nothing

Oh, oh, oh, lied for the last time  
Oh, oh, oh, died for the last time  
Oh, oh, oh, cried for the last time, this time  
Oh, oh, oh, believed for the last time  
Oh, oh, oh, deceived for the last time  
Oh, oh, oh, believed for the last time, this time

High upon a hillside, a preacher tells a story to a crowd  
He tells the same old story, a thousand times he's read  
that story loud

He wants to give the answers but his words are only  
Answers to nothing

Lying in my bedroom, a man comes on my TV with a  
grin  
He tells me to believe him, he said that I should put my  
faith in him  
He says he has the answers, but his words are only  
Answers to nothing

Oh, oh, oh, lied for the last time  
Oh, oh, oh, cried for the last time  
Oh, oh, oh, died for the last time  
Oh, oh, oh, deceived for the last time  
Oh, oh, oh, believed for the last time, this time
