"Take Me Home"

Take me home
I need to see that light again
Take me home
I need to feel that sense of belonging
See my father, see my mother
My sister, my brother

Take me home
I need to see where I come from
Take me home
I need to feel that sense of belonging
See the homeland
See the place, the streets and the faces

Take me home, take me home
I want to feel that warmth again
Take me home
I need to feel that sense of belonging
See the streets where I walked as a child
Where I laughed and I smield
Take me home, take me home

See the land that my father fought for
Lay my head on that shore
Take me home

Bass guitar: Steve Brzezicki
Additional keyboards: Robbie Kilgore
