Lost that special feeling  
Somewhere along the way  
I need some sexual healing  
To make it through the day

I wanna feel OK  
Please take my blues away  
You're gonna have to pay  
You know  
If you wanna love again

This feeling  
Was always on my mind  
Now you're telling me you're leaving  
You're leaving me behind

I wanna feel OK  
Please can you take it away  
You're gonna have to pay  
You know

Left my chest wide open  
you tore away my heart  
I should have seen it coming  
right from the very start

I wanna be OK  
Please can you take it away  
You're gonna have to pay  
You know  
If you wanna love again

Start over  
I blindfolded my eyes  
Who needs to even know her  
When feelings always die

Then one sunny day  
when you'll come back to stay  
I'm gonna be OK  
You take my blues away

You're gonna have to pay  
You know  
If you wanna love again
