So deep, that it didn't even bleed and catch me
Off guard, red handed
Now I'm far from lonely
Asleep, I still see you lying next to me
So deep, that it didn't even bleed and catch me

I need something else
Would someone please just give me
Hit me, knock me out and let me go back to sleep
I can laugh all I want,
Inside I still am empty
So deep, that it didn't even bleed and catch me

I'll be just fine pretending I'm not
I'm far from lonely
And it's all that I've got
I'll be just fine pretending I'm not
I'm far from lonely
And it's all that I've got

I guess I remember every glance you shot me
Unharmd, I'm losing weight and some body heat
I squoze so hard I stopped your heart from beating
So deep, that I didn't even scream "Fuck me"

I'll be just fine pretending I'm not
I'm far from lonely
And it's all that I've got
I'll be just fine pretending I'm not
I'm far from lonely
And it's all that I've got

And it's all that I've got
It's all that I've got
It's all that I've got
It's all that I've got
It's all that I've got.

So deep, that it didn't even bleed and catch me
So deep, that I didn't even scream "Fuck me"

I'll be just fine pretending I'm not
I'm far from lonely
And it's all that I've got
I'll be just fine pretending I'm not
I'm far from lonely
And it's all that I've got
