(Crazy english lady sings Happy Birthday and He's A Jolly Good Fellow)

Choke Me (secret song)

As of now I'm down straight up
And I can turn to the box for some peace
Or a box for a piece
Or a box for a smoke
But they're all gonna choke me

You're so crazy(x3)
Enough in a way that I'll probably say you destroyed me

It's like a fucking drug deal
I'm sitting here waiting
I'm calling you back
and you won't call me back
and it's fucked up, but at the same time it just made
me want you even worse.

For awhile I was cleaner than now
Then I started to destroy myself
With things that I love now the things that I hate
Until it finally broke me

Bert, fuck my ass! Now! Fuck my ass, now!
Choke me .
