

## Used, The "I Caught Fire"

Seemed to stop my breath  
My head on your chest  
Waiting to cave in  
From the bottom of my...  
Here your voice again  
Can we dim the sun..  
And wonder where we've been.

Maybe you and me so..  
Kiss me like you did  
My heart stopped beating  
Such a softer sin.

I'm Melting.. I'm Melting

(Chorus)  
In your eyes..  
I lost my place  
Could stay a while  
And I'm melting  
In your eyes..  
Like my first time  
That I caught fire  
Just stay with me, lay with me now.

Never caught my breath  
Every second I'm without you, I'm a mess  
Ever know each other  
Trust these words are stones  
Why cuts aren't healing?  
Learning how to love  
I'm melting, I'm melting

(Chorus)  
Stay with me, lay with me now.

You can stay and watch me fall  
And of course I'll ask for...

(Background Scream) Help.....

Just stay with me now  
We can take our pants off, stay in bed  
Just make love, that's all  
Just stay with me now

I'm melting, I'm melting

(Chorus x2)

(Background on 2nd Chorus) Stay with me, lay with me

In your eyes  
Let's sleep till the sun burns out  
I'm melting in your eyes  
I'm melting in your eyes  
Let's sleep till the sun burns out  
I'm melting in your eyes
