you surprise me, i'm looking out, looking out
surprise me you jump back up
fall on your feet somehow

you surprise me, i'm looking out, looking out
surprise me you jump back up
fall on your...feet some how

where'd you go?
it seems like your better half said it all
your wonderful
seems like your better half said it all

surprise me, i'm looking out, looking out
surprise me you jump back up
on your feet somehow

surprise me, i'm looking out, looking out
surprise me you jump back up
fall on your...feet some how

where'd you go?
it seems like your better half said it all
your wonderful
seems like your better half said it all

wonderful

wonderful

you jumped back up
motivation... motivation
feet some how
feet some how
feet some how

where'd you go?
seems like your better half said it all
your wonderful
seems like your better half said it all

where'f you go
seems like your better half said it all
your wonderful
seems like your better half said it
