liar liar, pants on fire  
and the pills go down and  
gets you higher;  
baby bottles burning,  
motherfucker, and your mother hates him  
like the daughter;  
lonely god and maker, gripping tighter  
saying "you will burn in Hell," they say,  
"you will burn in Hell..."

liar, liar, pants on fire;  
liar, liar, stop your soul from catching fire, fire;  
god and maker,  
liar, liar, pants on fire...

liar liar, house on fire  
and the glass tastes messy,  
chew it better;  
bet your tummy hurts you,  
you motherfucker, mother never loved you  
and your father touched you with the hand of god, he's  
gripping tighter  
saying "you will burn in Hell," they say,  
"you will burn in Hell..."

liar, liar, pants on fire;  
liar, liar, stop your soul from catching fire, fire;  
god and maker,  
liar, liar, pants on fire...

fucking liar...

you're gonna burn in hell  
you're gonna burn in hell  
hell, hell, hell  
you will burn in hell, they say  
you will burn in hell

Fucking liar

liar, liar, pants on fire;

liar, liar, stop your soul from catching fire, fire;  
god and maker,  
liar, liar, pants on fire;  
you fucking liar...

liar, liar, pants on fire;  
liar, liar, stop your soul from catching fire, fire;  
god and maker,  
liar, liar, pants on fire;  
you fucking liar;  
you fucking liar...

liar, liar, you fucking liar...(x3)

liar, liar, pants on fire  
hanging from a telephone wire
