Free from the torment of sin  
All of this I'm giving up much as  
The sun would decide to give in  
Explode into orange  
And hear all the voices sing praises  
With hands like birth of a change  
Free from the torment of sin  
All of this I'm giving up

It's not me  
Bury wreckage my soul  
It's not me  
So who am I now?

Over and over again  
Light with the sharpened edge  
Cuts through the black  
Empty space we call sky  
Forgetting the cycle that stays  
And I know in my heart we all die  
Like the day and the night  
Like the sun in the sky  
All of this I'm giving up

It's not me  
Bury wreckage my soul  
It's not me  
So who am I now?

It's not me  
Bury wreckage my soul  
It's not me  
So who am I now? (Who am I now?)

Is there another side  
Beyond the black and white  
Place I could meet you by  
Place on the other side  
I'll let you know when I go  
I'll let you know when I go  
When I go

It's not me  
Bury wreckage my soul  
It's not me  
So who am I now?

It's not me  
Bury wreckage my soul  
It's not me  
So who am I now?

Its not me (on the other side)  
Bury wreckage my soul (wreckage my)  
It's not me  
So who am I now (who am I now)
