Wake up  
My love  
Never thought you'd make me, break me  
Now I'm up, from below  
Such a brilliant star you are  
And will your love keep burning baby  
Burn a hole right through my eyes;  
You saw the short times feel like no time  
I thought you'd oughta know

(Chorus)  
I'm so far gone now  
I've been running on empty  
I'm so far gone now  
Do you wanna take me on?

Do you wanna take me on?

Do  
Do you  
Do you know?  
Do you know how long I've waited  
To look up from below?  
Just to find someone like you,  
And will your love light burn me baby,  
Burn a hole right through my heart  
I think I might just trust you maybe  
But I'm not sure  
Im not sure I wanna know

(Chorus x 2)  
Do you wanna take me on?

I think you could make me girl,  
Could make me take my life  
I know you could break me girl,  
Take all of me  
All of me, yeah, hey!

Wake up  
My love

Never thought you'd make me, break me  
Now I'm up from below  
Such a brilliant star you are

(Chorus x2)
