look in my eyes  
I'm jaded now  
whatever that means  
by sharing these things  
I rip my heart out  
it's worth my time  
whatever that means  
so...  
hard to see up  
my neck feels stiff until I wake up  
the orange I choked  
and back to my neck  
it's worth my time  
whatever that means  
so

share with me  
cause i need it right now  
let me see your insides  
or write me off  
cause I'd rather starve now  
if you won't open up

give it to me  
give me all, whatever you want  
it's never been me  
to want this much, from you I can see

share with me  
cause i need it right now  
let me see your insides  
or write me off  
cause I'd rather starve now  
if you won't open up  
you wont open up

screaming: tares me up

look in my eyes  
I'm jaded now  
whatever that means

by sharing these things  
I rip my heart out  
it's worth my time  
whatever that means  
so...

share with me  
cause i need it right now  
let me see your insides  
or write me off  
cause I'd rather starve now  
if you won't open up  
you wont open up

share with me (yeah it tares me up)  
cause i need it right now  
let me see your insides (tares me up)  
or write me off (and it tares me up)  
cause I'd rather starve now  
if you won't open up  
you wont open up

tares  
me  
up
