Lets just chill things out for a second, ok?
Everyone just close your eyes and take a breath
This songs called On My Own

See all those people on the ground
Wasting time
I try to hold it all inside
But just for tonight
The top of the world
Sitting here wishing
The things Ive become
That something is missing
Maybe I
But what do I know

And now it seems that i have found
Nothing at all
I want to hear your voice out loud
Slow it down, slow it down
Without it all
Im choking on nothing
Its clear in my head
And Im screaming for something
Knowing nothing is better than knowing at all

On my own
On my own
On my own
Im on my own
Im on my own

Without it all
Im choking on nothing
Its clear in my head
And Im screaming for something
Knowing nothing is better than knowing at all

On my own
On my own
On my own
