Being faced with what I'm faced with I feel
Like I can't rock
Like a rock hit my heart
Started to chain the day
And exploded into pieces

Marry me
Stay the same
Lie to me and try to say you never will
(x2)

I've got a feeling in my gut now, fills me
With so much hope
Said fuck it, I'm fine
Dine and dashed
The pianist peddled into morning, *morning*

*Marry me
Stay the same
Lie to me and try to say you never will

Marry me
Stay the same
Lie to me and try to say you never

*Morning, morning

Being faced with what I'm faced with I feel
Like I can't rock
Like a rock hit my heart
Started to chain the day
And exploded into pieces

Pieces (x6)

(Being faced with what I'm faced with I feel
Like I can't rock
Like a rock hit my heart
Started to chain the day
And exploded into pieces)*
