If you in a band
Or if your an artist out there
Don't give up on your dream
Just keep fighting
And your dream will come true someday
Were the used from Orem, Utah
And this song is called say days ago

LETS GO!

I still remember a year ago
The times we spent
I think that I'm happier now
Up from the down
By all means
It's strange cause I feel the same way

I think of what it looks like
I think of what it tastes like
[Verse]
Same strange
Said it's strange cause I feel the same
[Repeat Verse]

Still remember what it tastes like
What it felt like

Makes me ill

I think of what it looks like
I think of what it tastes like
I think of what it looks like
I think of what it tastes, taste
[Repeat Verse X4]

Still remember what it tastes like
What it felt like

Let me see your fucking hands Los Angeles
Thank you

Makes me ill [Repeat X4]
[Background]
Remember what it felt like
What it taste like

We are the used! [Repeat X10]
