Time Kills, Go ask Jesus  
I'm done, makes no difference  
Stare straight, stare at the sun  
I'm done, makes no difference

CHORUS:

Time takes us all  
So why am I not just living for today  
Time takes us, Time takes us all  
Will I die right now, I'm only seconds away  
Time takes us.

Move on, Gone forever  
I'm done, makes no difference  
Poison time kills slowly you're done  
Makes no difference

CHORUS:

Time takes us all  
So why am I not just living for today  
Time takes us, Time takes us all  
Will I die right now, I could be seconds away  
Time takes us.

Time will now be (3)  
the chopping block  
leave my head

Time will now be  
the chopping block so,  
leave my head (3)

Time kills, makes no difference  
I'm done, makes no difference

CHORUS:

Time takes us all  
So why am I not just living for today  
Time takes us, Time takes us all  
Will I die right now, I could be seconds away  
Time takes us.

Time takes us-s-s-s-s-s all!!
