so he dies and I'm a joke
a playdoh mask a million miles to go
a suped up cock tease with a little twist
when sex got ugly I'd insist
hear you'll empty all I've got
fuckings over but i can't stop cumming
still born dead or never born at all
when jesus was my girl
she told me
when jesus was my girl
it's impossible for me
harder even if I turn it over
I'm not as pretty as I thought I'd be
another symptom of my damn disease
hear you've taken all I've got
fuckings over but I just keep cumming
still born dead or never born at all
when jesus was my girl
she told me
when jesus was my girl
when jesus was my girl

she told me

when jesus was my girl

not as pretty as I thought I'd be

another symptom of my damn disease

not as pretty as I thought I'd be

another symptom of my damn disease

not as pretty as I thought I'd be

another symptom of my damn disease

not as pretty as I thought I'd be

another symptom of my damn disease

when jesus was my girl

she told me

when jesus was my girl

when jesus was my girl

she told me

when jesus was my girl

not as pretty as i thought I'd be

another symptom of my damn disease

not as pretty as i thought I'd be

another symptom of my damn disease

not as pretty as I thought I'd be

another symptom of my damn disease

not as pretty as I thought I'd be

another symptom of my damn disease

not as pretty as I thought I'd be

another symptom of my damn disease

not as pretty as I thought I'd be..

another symptom of my damn disease
