"Sleep Of Innocence"

Living in a purple shell
Kept away from danger
Drinking from the endless well
Feeding my desire

Where is the secret place?
Where is the hidden cave?

Rites of life in a learning day
Fools the man to laughter
Bringing down the master plan
The journey's getting closer

What is the secret price?
What is the living prayer?

Awakening
Sleep of innocence
Awakening
Sleep of innocence

Run into the wall's embrace
Trembling far from treasures

What is the secret price?
What is the living prayer?

Awakening
Sleep of innocence
Awakening
Sleep of innocence

Sleep of innocence
Sleep of innocence
