Lowlifes on gossip
Bypass the mind
Head for the heart

Do you feel love?
Do you feel love?
Do you feel love?
Do you feel love?
Do you feel love?

It's not like I don't care, we' re not going anywhere
Thinking loud and clear, where will I be in a year?
Two hearts slamming as one, it's blood music

Pop up leeches
You know a climax ain't the end of it

Do you feel love?
Do you feel love?
Do you feel love?
Do you feel love?

It's not like I don't care, we' re not going anywhere
Thinking loud and clear, where will I be in a year?
Two hearts slamming as one, it's blood music

It's not like I don't care
It's not like I don't care
It's not like I don't care

We' re not going anywhere
Thinking loud and clear, where will I be in a year?
Two hearts slamming as one, it's blood music
