Act sleazy, behave like a tart  
It's so easy to get what you want, yeah  
You can't get enough

Hey baby we all know your name  
It's sex that will lead you to fame

Don't, don't, don't, give it up  
Don't, don't, don't, give it up  
Don't, don't, don't, give it up  
Don't, don't, die of a broken heart

Your ego is never at fault  
If you believe it you'll get all you want, yeah  
You can't get enough

Don't, don't, die of a broken heart  
Don't, don't, die of a broken heart

Don't, don't, die of a broken heart  
Don't, don't, die of a broken heart

I feel your pulse beating blue  
And I feel your skin crawls  
When we, we ,we, we, we fuck

Don't, don't, die of a broken heart  
Don't, don't, die of a broken heart  
Don't, don't, die of a broken heart  
Don't, don't, die of a broken heart

Don't, don't, die of a broken heart  
Don't, don't, die of a broken heart  
Don't, don't, die of a broken heart  
Don't, don't, die of a broken heart
