Am I the queen up your sleeve  
When you got no ace?  
Am I a slap in your face?  
Am I the boy in your bed  
When you're feeling down?  
Am I your living dead?

Am I the queen up your sleeve  
When you got no ace?  
Am I a slap in your face?  
Am I the boy in your bed  
When you're feeling down?  
Am I your living dead?

Would you die for me?  
Would you die for me?

It doesn't have to be like this, no  
Feed you with a kiss, oh no  
It doesn't have to be like this, no  
Feed you with a kiss

Am I the queen up your sleeve  
When you got no ace?  
Am I a slap in your face?  
Am I the boy in your bed  
When you're feeling down?  
Am I your living dead?

Am I the queen up your sleeve  
When you got no ace?  
Am I a slap in your face?  
Am I a thought in your head  
That I keep away from you?  
'Cause it frightens me

Would you die for me?

It doesn't have to be like this, no  
Feed you with a kiss, oh no  
It doesn't have to be like this, no  
Feed you with a kiss

It doesn't have to be like this, no  
Feed you with a kiss, oh no  
It doesn't have to be like this, no  
Feed you with a kiss

But you gotta step away from it  
Step away from all of it  
(It doesn't have to be like this)  
Gotta step away from it  
Step away from all of this shit

Gotta step away from it  
Step away from all of it  
(It doesn't have to be like this)  
Gotta step away from it  
([Incomprehensible] from it)  
Step away from all of this shit

It doesn't have to be like this, no  
Feed you with a kiss, oh no  
It doesn't have to be like this, no  
Feed you with a kiss

It doesn't have to be like this, no  
Feed you with a kiss, oh no  
It doesn't have to be like this, no  
Feed you with a kiss
