Some days are just a copy
Of a day you had before
You flash yourself thinking
You can't take it anymore

And never feels more alone
When you're in a crowded room
And bang your head to a wall
You feel nothing, nothing at all

Just want to feel the same
Just want to feel the same

Just want to feel the same
Just want to feel the same

Some things will never change
Just want to feel the same
Just want to feel the same

Some things will never change
Just want to feel the same
Just want to feel the same

Always knew you'd be a star
And now I know that's what you are
And we cry to a new beginning
We deny a new beginning

So let me introduce to you
This favorite play of mine
A comedy called Germany
You may not understand

The funny thing it's about someone
Who's never been alone
Just trying to be a friend
So you can start all over again

Some things will never change
Just want to feel the same
Just want to feel the same

Some things will never change
Just want to feel the same
Just want to feel the same

Always knew, you'd be a star
And now I know that's what you are
And we cry to a new beginning
We deny a new beginning

Always knew, you'd be a star
And now I know that's what you are
And we cry to a new beginning
We deny a new beginning
