It's looking out from inside
A Christmas bonus to last forever

You think you're ready, don't you, don't you?
You think you're ready, don't you, don't you?
You think you're ready, don't you, don't you?

It's a mosquito coil where boys and girls
Trying to stop their heads spinning
A mosquito coil, an instant supernova for beginners

Once you're in, you can't get out
Dashboard Jesus has your number
And please remember me in your circle of friends

It's a mosquito coil where boys and girls
Trying to stop their heads spinning
A mosquito coil, an instant supernova for beginners

It's a mosquito coil, it's a mosquito coil
It's a mosquito coil, it's a mosquito coil
It's a mosquito coil, it's a mosquito coil

What's killing you is killing me
One fling leads to another

It's a mosquito coil where boys and girls
Trying to stop their heads spinning
A mosquito coil, an instant supernova for beginners
It's a mosquito coil, it's a mosquito coil
