Eat myself from a silver spoon
Think I need some of that breathing room
Do you hear the ringing in my ear?
Am I the only one who can make myself disappear?

Plasmatic, what is wrong
When your ego is a rose in bloom?
Plasmatic, all I know
Is my ego is a room without a view

Fed up of repeating myself
You are looking for something I haven't got
Fed ex dreams when things are too slow
Only let you know what you need to know

Plasmatic, what is wrong
When your ego is a rose in bloom?
Plasmatic, all I know
Is my ego is a room without a view

Now, now, now is the time, time, time
Now, now, now is the time, time, time
(For you and me)

Now, now, now is the time, time, time
(For you and me)
Now, now, now is the time, time, time

Plasmatic, what is wrong
When your ego is a rose in bloom?
Plasmatic, all I know
Is my ego is a room without a view

Plasmatic, all I know is my ego
Plasmatic, all I know is my ego
Plasmatic, all I know is my ego

Plasmatic, what is wrong
(Plasmatic)
When your ego is a rose in bloom?
(Is a rose)

Plasmatic, all I know
(Plasmatic)
Is my ego is a room without a view
(Is a room)
