do you believe in heaven above  
do you believe in love  
dont tell a lie  
dont be false and untrue  
it all comes back to you

open fire  
on my dying heart  
ive yet to be lucky in love  
my defenses are down  
i kiss her i frown  
cant survive on my own

and if you think i wasnt  
cuz i was naming my heart  
i try to run away  
everday weve all been lead astray  
its hard to be lucky in love

its gets in your eyes  
its making you cry  
dont know what to do  
(dont know what to do)  
youre looking for love  
calling heaven above

send me an angel  
send me an angel  
right now  
right now  
send me an angel  
send me an angel  
right now  
right now

empty dreams can only dissappoint  
in a world behind your smile

but dont give up (give up)  
dont give up (give up)  
you can be lucky in love

it gets in your eyes  
its making you cry  
dont know what to do  
(dont know what to do)  
youre looking for love  
calling heaven above

send me an angel  
send me an angel  
right now  
right now  
send me an angel  
send me an angel  
right now  
right now

it gets in your eyes  
its making you cry  
dont know what to do  
(dont know what to do)

send me an angel  
(send me an angel)  
send me an angel  
(send me an angel)  
right now  
right now  
send me an angel  
(send me an angel)  
send me an angel  
(send me an angel)  
right now  
right now  
send me an angel  
right now  
right now
