Something for the pain  
inside me  
that will never die  
The pain inside me  
that will never die

My heart bleeds  
look at you  
hiding  
all the things  
to endure me

I need you  
here with me  
breathing  
wanting you  
to believe me

Something for the pain  
inside me  
that will never die  
The pain inside me

that will never die

I see you  
in all of these faces  
blush with shame  
when I think of you

and your pale skin  
I sell my soul for you

Hush Hush  
never enough  
never enough

The pain inside me  
that will never die  
Something for the pain  
inside me  
that will never die
