Open your eyes  
Take a look around you  
You light me up  
Like I'm some kind of saint  
If black and white  
were the only colours  
if you and I  
were the only ones

Trying to buy some time  
I'd try to buy split seconds  
Trying to buy some time  
I'd try to buy split seconds

I open my eyes  
and fear it 's not the last time  
You set me up  
like I'm some kind of fool

Trying to buy some time

I try to buy split seconds  
Trying to buy some time  
I try to buy

the scars to prove that  
we're not the only ones  
the scars to prove that  
I am  
that I am

Trying to buy some time  
I try to buy split seconds  
Trying to buy some time  
I try to buy split seconds  
Trying to buy some time  
I try to buy split seconds  
Trying to buy  
Trying to buy
