[Lil' Romeo]

Little Soldiers need love
Little kisses and hugs
Come get wit these thugs
I'm tellin' you I'm livin' it up
We can walk through the park, hold hands to it stop
It's somethin' about you I don't know but it touches my
heart
In school you make me blush
Yeah It's all about us
Haters constantly hatin' always talkin' bout us
Understand I'm your man, so why go talk to a friend
Regardless of what they say, we gonna rap to the end
My little mommy, I'm sayin' my little dime piece
My baby, my boo, my future wifey
I'm keepin' it real thats why you friends don't like me
They jealous, they want a little soldier like me

Chorus: Lil' Romeo (repeat 2x)

Little soldiers need love
Little soldiers need love
Little soldiers need love
Don't, Don't, Don't hurt me again

[Lil' Romeo]

Four months past
We still pitchin' letters in class
I'm bugs your babes bunny, you always makin' me
laugh
We ride bumper cars and rollarcoasters together
Your my best friend, I'll remember you forever
Like when the first time I saw you I just had ta speak
Heard of love it first sight so it just had ta be
I took your hand
Your my girl I'm your man
It's funny ain't it, yesterday we was just friends
Everyday I think about you, some times I dream about
you
If I had to go on without you it wouldn't be fair
I know so much about you, look ma there's somethin' I
need to tell you

Chorus: Lil' Romeo (repeat 2x)

[Lil' Romeo]

I hear you movin'

What about us? What are you doin'?

Two years now, everything we hoped for is ruined

How could you leave how could you do this to me

I'm too young to be in love, how foolish of me

Thinkin' sometimes love comes to an end

I can't believe it I'm never gonna see you again

How could you hurt me

You said you would never desert me

But these feelings that I have for you

You was my first kiss, my first love

1,000 miles away, we can't even hug

If we could do it all over I would keep it the same

Romeo and Juliet, write your name in the sand

Chorus: Lil' Romeo (repeat 2x)
