Yo

Yo usher

I'm trying find her man

I have no idea who she is

Can you help

Cool

[USHER]

[CHORUS]

Wifey where are you

Wifey where are you

Wifey where are you

Cause here I am

[USHER]

Mother told me

Don't look for love

You will not find it

Be patient babe

For now my eyes I'm closing

I guess I have to wait

Late at night thinking of her

And I know it don't sound right

I don't know what she looks like

But she's my baby

Will holla back

Tell the thruth

[USHER]

[CHORUS]

Wifey where are you

Wifey where are you

Wifey where are you

Cause here I am

[Verse 2]

[PHARRELL]

So maybe u think I'm going out of my mind now

Or maybe my mind is going out of me

For now my eyes are closed but wait
How am I to see

[USHER]
Late at night thinking of her
And I know it don't sound right
I don't know what she looks like
But she's my baby
Will holla back
Tell the thruth
Just to show her the skylights
I promise to be her sunlight
Until my dying day

[USHER]
[CHORUS]
Wifey where are you
Wifey where are you
Wifey where are you
Cause here I am

[Verse 3]

[USHER]
Late at night thinking of her
And I know it don't sound right
I don't know what she looks like
But she's my baby
Will holla back
Tell the thruth
Just to show her the skylights
I promise to be her sunlight
Until my dying day

[PHARRELL]
I send my prayers about you to heaven
Did you get them

[USHER]
U probably don't want to move
I'm begging
Believe me baby

[USHER]
[CHORUS X2]
Wifey where are you
Wifey where are you
Wifey where are you
Cause here I am

[PHARRELL in background]

Yo
Yo usher
I'm trying find her man
I have no idea who she is
