[Usher:]

A Town's Down!

[Lil' Jon:]

Yeah, Ok! Usher Lil' Jon!

[Usher:]

Yeah, Yeah Yeah, Yeah yeah, Yeaah

Yeah, Yeah yeah, Yeah yeah, Yeaah

[Usher (Verse 1):]

in the club with my homies,

tryna get a lil V-I,

keep it down on the low key,

you know how it feels.(Hey)

I said shorty she was checkin up on me,

from the game she was spittin my ear you'd think that
she knew me.

So we decided to chill

Conversation got heavy,

she had me feelin like she's ready to blow!

(Watch Out!, Watch Out!)

She saying come get me,

come get me,

So I got up and followed her to the floor,

she said baby lets go,

When I told her I said

[Usher (Chorus):]

Yeah (yeah) Shorty got down to come and get me

Yeah (yeah) I got so caught up I forgot she told me

Yeah (yeah) Cause she 'n my girl used to be the best of
homies

Yeah (yeah) Next thing I knew she was all up on me
screaming:

Yeah, Yeah yeah, Yeah yeah, Yeaah

Yeah, Yeah yeah, Yeah yeah, Yeaah

[Usher (Verse 2):]

so shes all up in my head now,
got me thinking that it might good idea to take her with
me,
cause she's ready to leave.(To leave, Let's Go!)
Now I gotta keep it real now,
cause on a one-to-ten she's a certified twenty,
and that just aint me. (Hey!)

Cause I don't know if I take that chance just where its
gonna lead,
But what I do know is the way she dance makes shorty
aight with me.
The way shes getting low!
I'm like yeah, just work that out for me.
She asked for one more dance and I'm
Like yeah, how the hell am I supposed to leave?(Let's
Go)
And I said

[Chorus]

[Lil' Jon:]
Hey! (Hey!) Luda!

[Ludacris (Verse 3):]
Watch out!
My outfit's ridiculous, In the club lookin' so conspicuous
And rowl! These women all on the prow!
If you hold the head steady, I'ma milk the cow.
Man Forget about game, I'ma spit the truth
I won't stop til I get them in they birthday suits
So Give me the rhythm, and it will be off in they clothes
then bend ova to the front and touch your toes!
I left the Jag and took the Rolls
If that ain't nothing, then I put them on foot patrol!
How you like me now?
When my pinkies valued over three-hundred thousand.
Let's drink, you the one to please
Ludacris fill cups like double D's
Me and Ursh once mo' and we leaves em dead
We want a lady in the street but a freak in the bed!
and they say

[Chorus]

[Ludacris]
Take that, rewind it back
Lil' Jon got the beat to make your booty go [clap]
Take that, rewind it back
Usher got the voice to make your booty got [clap]
Take that, rewind it back

Ludacris got the flo to make your booty go [clap]
Take that, rewind it back
Lil' Jon got the beat to make your booty go [clap]
