(Warren Zevon)

Darkness in the morning
Shadows on the land
Certain individuals
Aren't sticking with the plan

CHORUS

And I'm searching for a heart
Searching everyone
They say love conquers all
You can't start it like a car
You can't stop it with a gun

Leaving in the evening
Traveling at night
Staying inconspicuous
I'm staying out of sight

CHORUS

they tell me love requires a little standing in line
And I've been waiting for you, lover, for a long, long
time
I've been pacing the floor
I've been watching the door
Meanwhile I'll keep searching for a heart

Searching high and low for you
Teying to track you down
Certain individuals
Have finally come around

CHORUS

They tell me love requires a little standing in line
And I've been waiting for you, lover, for a long, long
time
I've been pacing the floor
I've been watching the door
Meanwhile I'll keep searching for a heart

Searching everyone
They say love conquers all
You can't start it like a car

DON'T BLAME ME...
