Hands in your pocket
Back to the wall
You're never gonna fly
If your afraid to fall

I know that you're a dreamer
A dreamer like me
The curtain's goin' up
So what's it gonna be
Bring it, bring on down, get it off the ground

Bring it to the world
Sing it to the world
The melody is free
I'm lookin' for some harmony
Bring it to the world
Sing it to the world
Tonight we're gonna dance baby,
Rings around the world

I know you got it in ya
C'mon let it out
betcha I can getcha
To scream and shout

We're gonna climb the ladder
The ladder to the stars
We'll grab some crazy moondust
And dance in the dark
Bring it, bring on down, get it off the ground

CHORUS:
Bring it to the world

A - you're amazing
B - you're the best
C - I told ya, I told ya, I knew the alphabet
D - is for dreams (sweet dreams)
E - like on earth (my earth)
You know in my book you always come first

We don't need permission
Late bell's out of commission
Sign the petition
To light up the sky
Don't ask why
Just do it

CHORUS
