If you want to groove  
Better make your move  
When you hear that beat  
Gotta move your feet  
No time to chill  
Better take that pill  
Cause there ain't no way you'll be sittin' still

When she's lookin' fine  
Better step in time  
Show her what you got  
She's hot to trot  
It's a ride for two  
And what you gotta do  
Is let that rhythm take control of you

Burn it up with those crazy feet  
The beat won't let you down  
Keep it cool when you hear the beat and  
Get down, get down  
Jumpin' up with those crazy feet  
Never hittin' the ground  
Feel it when you dance, dance, dance, dance!

#### DANCE BREAK

If you want to groove  
Better make your move  
When you hear that beat  
Gotta move your feet  
Just hear that rhythm and  
Dance, dance, dance, dance, dance

Burn it up with those crazy feet  
The beat won't let you down  
Keep it cool when you hear the beat and  
Get down, get down  
Jumpin' up with those crazy feet  
Never hittin' the ground  
Feel it when you dance, dance, dance, dance!
