Cameras flashing in front of you

Bass, you feel that bass

That means that the dance floors waitin for me

And I cant wait

Get lost in the moment

Its the time escape

Model me fantasy

Where ya dreams come true

Can you feel it, its calling you

Calling you

From what,

From the dance floor

From what

From the dance floor

From what

From the dance floor

From what

From the dance floor

From what

From the dance floor

From what

From the dance floor

From what

From the dance floor

From what

From the dance floor

Move, move, move, move

Chorus:

The runway callin from the dance floor

Ya time is up ya time is up ya time is up up up

The runway callin from the dance floor

Ya time is up ya time is up ya time is up up up

Ya time is up, ya time is up up up

On the runway

To all my people that can relate  
I wanna say hey hey  
Hey hey hey hey hey

Chorus:

Pretty little kitty I found at the front door  
Gotta get her from the wall onto the dance floor  
From the dance floor from the dance floor  
Shes lost in it shes nearly gone  
Took her from her friends when i gripped her arm  
She dont even know if she can handle me  
I'm a hollywood dream, a fantasy  
The carpets rolled im standin here  
Hangin by the floor like a chandelier  
Take advantage its your move now  
You get one shot, dont lose now

Ya time is up ya time is up ya time is up up up

Do you remember  
Do you remember sitting there  
Do you remember  
Waiting for your chance, now its here

Chorus
