I know it's not easy  
To stand up for what you believe in  
But if we stick together  
I know we will get a Standing Ovation

The time is now  
We need to come together  
And work as one  
To make our lives better  
And all the drama  
And challenges we go through  
Won't seem as hard if I am right beside you

Let's take control  
Let's make the most to reach our goals  
Let everybody know  
Nothing's gonna hold us down  
We're gonna reach for the stars  
And keep our feet on the ground  
Nothing's gonna stop us now  
Together as one we'll get a Standing Ovation  
Na na na  
Na na na  
Na na na Yea

There's no big I's  
Or little you's  
I know you got my back cause I got yours too  
Stormy weather may come to us all  
You can lean on me  
I'll catch you if you fall

Let's take control  
Let's make the most to reach our goals  
Let everybody know  
Nothing's gonna hold us down  
We're gonna reach for the stars  
And keep our feet on the ground  
Nothing's gonna stop us now  
Together as one we'll get a Standing Ovation

Just hold on  
It won't last long  
You're so strong  
Change is about to come  
Just hold on  
Don't run from  
Your problems  
I can see the sun

Let's take control  
Let's make the most to reach our goals  
Let everybody know  
Nothing's gonna hold us down  
We're gonna reach for the stars  
And keep our feet on the ground  
Nothing's gonna stop us now  
Together as one we'll get a Standing Ovation

Nothing's gonna hold us down  
We're gonna reach for the stars  
And keep our feet on the ground  
Nothing's gonna stop us now  
Together as one we'll get a Standing Ovation (repeat)

Na Na Na  
Na Na Na  
Na Na Na Yea (repeat)
