Rap:

Look at that boy dressed so fine  
Anyone could see girl what's on your mind  
Go on up and ask him - his name  
Time for you to get into the game  
You can't win if you don't play  
If you want him don't walk away

Vocals:

That boy is poetry in motion  
Emotion that's ocean deep  
That boy is givin' me the notion  
That my devotion will be well received  
Kept in his heart  
Under lock and key  
I pray that's the way  
It will always be

How will I know  
If it's real  
I only know I know how I feel  
And what I feel is so real  
I can't deny it no more  
I can't fight it no more

That boy  
Is making me realize  
That these butterflies are here to stay  
That boy - he's got me mesmerized  
Terrified he might walk away  
What does it mean  
When you start to lose yourself  
Find that you don't wanna be with nobody else

Yeah, yeah, yeah

CHORUS

That boy is givin me the notion  
He's poetry in motion  
He really is, he really is
