Verse 1

If only they stood in my shoes, they would do the things
that I do

They say I'm too young for a boo, but I just can't stop
thinkin bout chu

What a girl, what a girl, what a girl gotta do to get what
she wants? [to get what she wants]

Don't believe, don't believe, don't believe that it's true
[this aint puppy love]

[pre-chorus]

Ooo boy, ooo boy, had me when I first stared into your
eyes, somethin bout chu, you just ain't like other guys
[no one like you]

Ooo boy, ooo boy, tell me why they wanna go & hate on
us? Who are they to say I ain't old enough for love? Cuz
I don't wanna wait

Chorus:

I don't wanna wait a day for ya love [x4]

Verse 2:

Soon as you walk into the room, you make my heart
burn like a rooftop

They say I should leave you alone, but if I do then I'll be
a loser

Lovin you, lovin you, lovin you, lovin you is my every
want

[my every want]

& be wit chu, be wit chu, be wit chu, be wit chu is all I
dream of

[Prechorus]

Ooo boy, ooo boy, had me when I first stared into your
eyes, somethin bout chu, you just ain't like other guys
[no one like you]

Ooo boy, ooo boy, tell me why they wanna go & hate on
us? Who are they to say I ain't old enough for love? Cuz
I don't wanna wait

Chorus:

I don't wanna wait a day for ya love [x4]

Bridge:

Summer is here, & I'm still waitin here

Autumn is here, & I'm still waitin here

Winter is here, & I'm still waitin here

Springtime is here, & I don't wanna wait no more

Chorus:

I don't wanna wait a day for ya love [x4]

I don't wanna, I don't wanna, I don't wanna, I don't
wanna, I don't wanna wait a day [x4]
