"If That's The Way You Feel"

I don't blame you for I know you want him
That your love for me was never real
I could hold you but you'd be unhappy
But it's alright if that's the way you feel

I know that I will always go on caring
And my feelings now I must conceal
I still need you and I want you with me
But it's alright if that's the way you feel

I always knew some day I would lose you
When those lies about me were revealed
Its plain to see sweetheart you believe them
But its alright if that's the way you feel
