In a quiet country village stood a maple on the hill  
Where I sat with my Geneva long ago  
As the stars were shining brightly we could hear the  
whippoorwill  
As we sat beneath the maple on the hill

We would sing love songs together when the birds had  
gone to rest  
We would listen to the murmur o'er the hill  
Will you love me, little darling as you did those starry  
nights  
As we sat beneath the maple on the hill

Don't forget me, little darling when they lay me down to  
die  
Just one little wish, my darling, that I pray  
As you linger there in sadness thinking darling of the  
past  
Let your teardrops kiss the flowers on my grave

I will soon be with the angels on that bright and  
peaceful shore  
Even now I hear them coming o'er the hill  
So goodbye, my little darling It is time for us to part  
I must leave you 'neath the maple on the hill
