If your goal is to live forever  
Then you just can't win  
But if you cross the finish line  
With a peace from within  
Then you're a lifetime winner and you take home the  
gold  
And when I can't hold your hand it's your love that I'll  
hold

#### CHORUS:

And I want you to know  
That it's all right  
If you're tired of the struggle  
If you're tired of the fight  
And I want you to know  
That it's OK  
If you want to close your eyes  
And slowly slip away

It's not a weakness  
To sing your final song  
And I won't think you're a failure  
When it's time to move on  
And beyond my anguish and beneath my tears  
There's an underlying joy that I've had you all these  
years

#### REPEAT CHORUS

#### BRIDGE:

And I'll cry and cry when you're gone  
But in the love you leave behind  
You live on and on

#### REPEAT CHORUS
