Nobody saw you kiss him
By the garden wall last night
And nobody heard you moan his name
In the early morning light
You met at an out-of-the-way hotel
Where nobody happens to go
If anyone's seen you together
Nobody's saying so
So if someone should claim that you've
Fallen in love with him
Nobody would believe
Ain't that just my luck, to be nobody
Oh ain't that just my luck, to be nobody

Nobody's seen you crying
Cause you're feeling so confused
And nobody knows that you're dying to go
But you've got so much to lose
Everyone thinks you still love me
But nobody knows the truth
Someone's got to make a decision
And nobody can help you
Cause when you get back from your
Cheating with somebody
Nobody won't be home
Ain't that just my luck, to be nobody

BRIDGE:

And if anyone ever should ask you
Who it was taught you to love
Tell 'em it was nobody special
That'll be close enough

He said nobody has to suffer
Nobody has to know
But I say somebody's going to break the
Heart of the carefree girl
That I love so
Then when he's gone and you're crying alone
Nobody will cry for you
Ain't that just my luck, to be nobody

Oh ain't that just my luck, to be nobody
Oh ain't that just my luck, to be nobody
