you make me beautiful beautiful everywhere I go go go.

no one can stop me from being beautiful beautiful, no one can stop me me me me. will you promise me no one will take away my beauty. when I go in the metro train I can feel my beauty holding my hand. you make me beautiful beautiful everywhere I go go go. no one can stop me from being beautiful beautiful, no one can stop me me me me. sometimes I feel like I'm the new chic in school, but beauty helps me realize that I'm not the new chic at all
