Is this how it ends, oh yeah
These miserable times don't leave you alone
And it's true, it's everytime she picks up the phone
And she says encouraging words
But nobody listens to me
I still pray for the day that I hear her saying
Here's to you and me and all the things we'll never be
Is this how it ends, oooh hey hey hey

Is this how it ends, oh yeah
These miserable times don't leave you alone
And it's true, it's everytime she picks up the phone
And she says encouraging words
But nobody listens to me
I hear her saying
Here's to you and me and all the things we'll never be
Is this how it ends, oooh hey hey hey
