You say I'm better to lose her
Oh you bet I'm a loser
'Cause I will never be free
And you say it takes one to know one
Yeah but I don't know no one
Half as stupid as me

Now these fears arise
And behind your eyes
You will see
The lies are thinly disguised now

I'll tell you nothing lasts forever
That you and I are going nowhere
Another romance ends in cliché
While I turn and stroll into town
So lay your defenses down tonight

I've arrived
If you're looking for someone to fuck you over
Well, look no further
I've arrived
And you've been lied to
You've been lied to
You've been lied to
Oh oh oh oh

You say I'm better to lose her
Oh you bet I'm a loser
'Cause I will never be free
And you say it takes one to know one
Yeah but I don't know no one
Half as stupid as me

Now these fears arise
And behind your eyes
You will see
The lies are thinly disguised now

I'll tell you nothing lasts forever
That you and I are going nowhere

Another romance ends in cliché
While I turn and stroll into town
So lay your defenses down tonight

I've arrived
If you're looking for someone to fuck you over
Please look no further
I've arrived
And you've been lied to
You've been lied to
You've been lied to
Oh oh oh oh
