do you remember the first time that you laid your eyes
on me?
i still remember the night i fell for you
your make-up smeared all over, you're my hairspray
lover
it's just like whispers in my ear

never thought that we'd end up together
never thought i'd dare to kiss your porcelain face

but

YOU'RE STILL A BEAUTY OUT OF THIS WORLD
STILL THE ONE THAT LIFTS ME UP WHEN I AM
DROWNING IN MYSELF

do you remember the first time that we kissed?
i still remember the taste of your sweet lips
you were the sunshine that made my life complete
but when the rest fell apart, you were not standing by
me

never thought we'd be apart from each other again
i never thought you'd break my heart in two

but

YOU'RE STILL A BEAUTY OUT OF THIS WORLD
STILL THE ONE THAT LIFTS ME UP WHEN I AM
DROWNING IN MYSELF

YOU'RE STILL A BEAUTY OUT OF THIS WORLD
STILL THE ONE THAT LIFTS ME UP WHEN I AM
DROWNING IN MYSELF
YOU'RE STILL A BEAUTY REFLECTED IN MY EYES
STILL THE ONE THAT MADE ALL MY NEGATIVITY VANISH
INTO DUST
