it started off when i said: "i don't care"
we wanted to end up just anywhere
you said you don't want her no more
but i wonder why you still call her your whore

oh oh oh oh
oh oh oh oh oh

I'LL TURN YOUR MIRACLES TO HEARTACHE
WHEN I'M DEEP INSIDE YOUR MIND
AND I KNOW THAT YOU'LL BE SORRY
CUZ WHEN YOU WANT ME I'LL BE GONE

i'll be gone

they all say that i'm explosive (that's right)
like a hand grenade of pain, oh
but i'm a gold mine and you know it
you just got to find your way into my soul

oh oh oh oh
oh oh oh oh oh

I'LL TURN YOUR MIRACLES TO HEARTACHE
WHEN I'M DEEP INSIDE YOUR MIND
AND I KNOW THAT YOU'LL BE SORRY
CUZ WHEN YOU WANT ME I'LL BE GONE

I'LL TURN YOUR MIRACLES TO HEARTACHE
WHEN I'M DEEP INSIDE YOUR MIND
AND I KNOW THAT YOU'LL BE SORRY
CUZ WHEN YOU WANT ME I'LL BE GONE

i'll be gone
