"Steal my pride"

saw you on the cover of that rock'n'roll magazine
sugary lips and an attitude, you're looking mean

let's shake it baby, it's rock'n'roll
i love the sound, it makes me roar

YOU STEAL MY PRIDE AWAY TO YOUR HEART,
WHERE YOU'RE TEARING ME APART
YOU LEAVE WITH EVERYTHING
AND YOU STEAL MY GRAVITY AWAY

drinking self-destruction wine again
thought you were different but you're just like them

just say it baby, i understand
you're like the rest except you hold my hand

YOU STEAL MY PRIDE AWAY TO YOUR HEART,
WHERE YOU'RE TEARING ME APART
YOU LEAVE ME SHIVERING
AND YOU STEAL MY GRAVITY AWAY

just stay in my life
stay in my life
stay in my life
stay STAY

YOU STEAL MY PRIDE AWAY TO YOUR HEART,
WHERE YOU'RE TEARING ME APART
YOU LEAVE WITH EVERYTHING
AND YOU STEAL MY GRAVITY AWAY
YOU LEAVE WITH EVERYTHING
BROKEN HEART, BROKEN ARMS, BROKEN EVERYTHING
DONÂ´T TEAR ME APART

'cuz i've been torn so many times before...
