Shame

(Uh, lowdown dirty shame)
(Kicking it live like it ain't no thang)
(Yeah, lowdown dirty shame)
(Kicking it live like it ain't no thang)

Shame

(Uh, lowdown dirty shame)
(Kicking it live like it ain't no thang)
(Yeah, lowdown dirty shame)
(Kicking it live like it ain't no thang)

Shame, ooh

Kicking it live
Like it ain't no thang
Shame, oh, yeah
It's a low and dirty shame
Oh, baby, baby (shame)

Burning

Keep my whole body yearning
You'vw got me so confused
It's a shame, ooh
Sometimes I think I'm going insane
But still I wanna stay

Wrapped in your arms

(In your arms)
Is where I wanna be
(Where I ought to be)

Wrapped in your arms

(Back in your arms)
That's my high

Shame, ooh

My mother thinks
You're playing a game
And what you do to me
Is a shame
Ooh, gonna love you just the same
But mama just don't understand

Back in your arms
(Back in your arms)
Is where I wanna be
(Is where I wanna be)
That's where I got to be

Back in your arms
(Back in your arms)
That's my high
(That is my high)

Well, I can't get enough, baby
Enough of your magic touch
Love is in my heart, yeah
Tearing the rules apart

So why should I feel shame
Ooh, I said only love
Can be to blame

If we lose our love
It's a shame
Ooh, I wouldn't wanna
Live with the pain
I wanna stay forever

Back in your arms
(Back in your arms)
Is where I wanna be
(Is where I wanna be)
(It's where I ought to be)

Back in your arms
(Back in your arms)
That's my high
(That is my high)
Shame

It's so dirty
Lowdown dirty shame
(Shame)

It's a shame, baby
Said it's a shame, baby
It's a shame, baby
Said it's a shame, baby
(Shame)

It's a shame, baby
It's a shame, baby

Driving me insane
I don't want no more

(Shame) ooh, ooh
I said only love can bring you pain
And when we lose our love
It's a shame

Well, I wouldn't wanna
Live with the pain
I said I wanna stay forever
(Shame)

Oh, my darling
Oh, my darling
It's a shame
Baby, it's such a shame

(Shame)
It's a shame that I love you do
Keep me burning
You keep me yearning...
