Anarchy
Kill a cat
Shoot James Brady in the back
Raise an army of rabid rats
Beat your neighbor with a bat

Anarchy burger
Hold the government
Anarchy burger
Hold the government

Anarchy
Go ape shit
Let them know you're sick of it
Write your congressman
Tell him he sucks
Only in it for the bucks

Anarchy burger
Hold the government
Anarchy burger
Hold the government

You're all potential anarchy burgers
If you wanna be free
Order yourself an anarchy burger
Hold the government please

Anarchy burger
Hold the government
Anarchy burger
Hold the government

They say America stands for freedom
But if you think you're free
Try walkin into a deli
And urinating on the cheese

Anarchy burger
Hold the government
Anarchy burger
Hold the government
Hold the government please
Hold the government

Anarchy burger
Hold the government
Anarchy burger
Hold the government

Say fuck in front of your mom
FUCK!
And go to school naked

Anarchy burger
Hold the government
Anarchy burger
Hold the government
