Drowning in this toilet of shit they call life  
Work like hell at Taco Bell for \$4.25 an hour  
No one gives a squirt of piss if you fucking die  
So seize the day by the balls, and squeeze until it's on  
it's knees

And now we dance like soldiers on the battlefield  
the only triumph in a moment of glory  
Crack your head open and sue somebody  
Cop a feel on a punk rock girl in bondage pants  
And Now We Dance

You are just a speck in a universe of turds  
Silenced by conspirators, not another word.  
With ozone trees depleted, you choke on malathion.  
nothing fucking matters, so what's the use in tryin'?

And now we dance like warriors on the victory trail  
only triumph in a moment of glory  
Crack your head open and sue somebody  
Come on and do push ups just like Jack Pallance  
And Now We Dance

Never join the ranks of the kiss ass suit and tie  
or the stinking hippie, the future is worth a lie,  
nothing's worth a fuck, a fuck ain't worth a shit  
we're only gonna die, here's how we deal with it

And Now We Dance like warriors on the battlefield  
only triumph in a moment of glory  
Crack your head open and sue somebody  
Cop a feel on a punk rock girl in bondage pants  
And Now We Dance

we dance like warriors on the battlefield  
only triumph in a moment of glory  
Crack your head open and sue somebody  
Come on and do one handed push ups like Jack  
Pallance  
And Now We Dance
