I think my TV's busted  
if not this country's dusted  
'cause I think I saw 7 Mary 3,  
and they were on the MTV  
They were telling the people to rock the what?

Talentless hippies, Hootie wannabees,  
Southern fried kings of mediocrity

Now let me get this straight  
you want MTV viewers,  
the worlds biggest losers,  
to vote?

the idea's wrong  
in fact there ought to be a law  
if you can sit through a Silverchair video  
you shouldn't be allowed to vote at all

They call it a revolution, I call it a curse  
Tabitha sucks and Kennedy's worse  
it's like I got Clockwork Orange things on my eyelids  
as I watch the fans of Stone Temple Pilots seize power

A layer of shit spreads across the land  
it's a PSA from the Rollins Band  
now the sellout of all time,  
who can't sing or write a rhyme  
is telling his Genius club  
they have a voice?

Well the voice of his fans,  
like those of Blind Melons  
should be lumped together  
w/ convicted felons  
Just a segment of society  
Not encouraged to engage in public policy

This idea's wrong,  
in fact there ought to be a law.  
Anyone who bought the last Hole record

should be thoroughly deprogrammed  
for the safety of us all

This idea's wrong  
don't choose your masters
